Motion to approve updating board by Dave J, second by Doug M ...Motion carries

Topic: Surround Sound System replacement in training room. We will talk to the city about possibly upgrading our training room equipment. After we have done research and have more information we will present to the general membership at the June 19th meeting.

Topic: Doug brought up the possibility of replacing the tables in the training room.

Corn Feed...decided it is to much at this time (GND and Open House) and with the timing of the best corn it needs to wait until next year to be addressed again. Great idea just will not work in 2018.
